Davie, FL 33314

Mr. Pirtle,

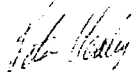

For the past 24 years Healey Plumbing has had the privilege of working with Pirtle Construction on numerous projects in Miami Dade, Broward and Palm Beach Counties.

Over the years Pirtle Construction has expanded it's operations while maintaining the Highest Standards of Quality Construction and continuing it's efficiency in constructing and delivering the Owner of each project a quality project delivered on or ahead of schedule.

High School LLL is no exception; your Team has worked to achieve another successful project, and was able to deliver the project to the Broward County School Board over three months ahead of schedule. Jim Pirtle, Jr. and Jeff Miles experience, leadership and organization along with the support from all of Pirtle Construction's Staff onsite and in the main office contributed to a seamless progression from the project's beginning to end.

It is in my opinion that this project further exemplifies the Outstanding Reputation which you have worked so hard to achieve and have upheld over the past 40 years in business. It is truly an honor to have been a part of the project.

Respectfully,

Pete Healey, President
Healey Plumbing, Inc.
